Welcome to 4Hackers!

By accessing or using the 4Hackers platform (the "Platform"), you agree to comply with and be bound by these Terms of Use (the "Terms"). Please read them carefully. If you do not agree to these Terms, you must refrain from using the Platform.

Note

The Platform is currently operating on a **testing basis**. Outputs may contain errors, inaccuracies, or unexpected results as the Platform is in development.

1. Purpose and Nature of the Platform

1.1 The Platform uses a language model to provide users with information derived solely from publicly available open sources ("Outputs").

1.2 The Platform aggregates and indexes information through third-party internet search providers, relying on their ethics, filters, and compliance. The Platform **does not maintain a database or use any stored data**.

1.3 The Platform is offered **exclusively for educational and entertainment purposes**. The Platform and any Outputs it generates are not intended for commercial, professional, or business use. **Commercial, professional, or business use of the Platform or any Outputs it produces is strictly prohibited**. You may not sell, license, sublicense, distribute, or otherwise exploit the Outputs generated by the Platform for monetary gain or other business purposes.

1.4 The Platform does not offer professional advice of any kind, including but not limited to legal, financial, or medical advice. Any reliance on the Platform's Outputs is strictly at your own risk.

2. Data Sourcing and Disclaimer

2.1 The Platform's Outputs are derived from information sourced through third-party internet search providers. The Platform itself **does not store or originate any data**.

2.2 You acknowledge and agree that the Platform merely aggregates and indexes publicly available information.

2.3 The Platform does not verify or guarantee the accuracy, legality, or appropriateness of any data or Outputs. All Outputs are provided on an "as-is" and "as-available" basis.

3. User Responsibilities

3.1 Users are solely responsible for ensuring compliance with local laws when accessing or using the Platform's Outputs.

3.2 You must not use the Platform or its Outputs to engage in any illegal activities, including but not limited to unauthorized access, fraud, or other activities that violate applicable laws.

3.3 By using the Platform, you agree to indemnify and hold harmless 4Hackers, its owners, affiliates, employees, and representatives from any claims, damages, liabilities, costs, or expenses resulting from your misuse of the Platform or its Outputs.

4. Intended Use

4.1 The Platform is intended to provide threat intelligence for cybersecurity operations, research, and risk management purposes only.

4.2 The Platform is not designed for personal, malicious, or unethical activities. **Any misuse of the Platform for these purposes is strictly prohibited.**

4.3 The Platform relies solely on third-party search providers to deliver data and does not perform indexing or act as a search engine itself. The Platform provides search results from these third-party providers "as-is" and disclaims any responsibility for their compliance with applicable laws. Any claims or disputes regarding the legality or accuracy of the data should be directed to the respective third-party providers.

4.4. **Age Restriction.** The Platform is intended for use by individuals who are at least 18 years old. By using the Platform, you represent and warrant that you are at least 18 years of age.

4.5 **Restrictions On Your Use of the Platform.** You may not do, and may not permit anyone to do, any of the following in connection with your use of the Platform, unless applicable laws or regulations prohibit these restrictions or you have our written permission to do so:

(a) download, modify, copy, distribute, transmit, display, perform, reproduce, duplicate, publish, license, create derivative works from, or offer for sale any information contained on, or obtained from or through, the Platform, except for temporary files that are automatically cached by your web browser for display purposes, or as otherwise expressly permitted in these Terms;

- (h) attempt to gain unauthorized access to, interfere with, damage or disrupt the Platform, accounts registered to other users, or the computer systems or networks connected to the Platform;
- (i) circumvent, remove, alter, deactivate, degrade or thwart any technological measure or content protections of the Platform;

9.1. Disclaimers

9.1.1. Your access to and use of the Platform are at your own risk. You understand and agree that the Platform is provided to you on an "AS IS" and "AS AVAILABLE" basis. Without limiting the foregoing, to the maximum extent permitted under applicable law, 4Hackers, its parents, affiliates, related companies, officers, directors, employees, agents, representatives, partners and licensors (the "Company Entities") DISCLAIM ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS OR IMPLIED, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. 4Hackers makes no warranty or representation and disclaim all responsibility and liability for: (i) the completeness, accuracy, availability, timeliness, security or reliability of the Platform; (ii) any harm to your computer system, loss of data, or other harm that results from your access to or use of the Platform; (iii) the operation or compatibility with any other application or any particular system or device; and (iv) whether the Platform will meet your requirements or be available on an uninterrupted, secure or error-free basis. No advice or information, whether oral or written, obtained from 4Hackers or through the Platform, will create any warranty or representation not expressly made herein.

9.1.2. You acknowledge that the Platform may generate Output containing incorrect, biased, or incomplete information. 4Hackers shall have no responsibility or liability to you for the infringement of the rights of any third party in your use of any Output. You should not rely on the Platform or any Output for advice of any kind, including medical, legal, investment, financial or other professional advice. Any Output is not a substitute for advice from a qualified professional. You acknowledge that due to the nature of generative artificial intelligence tools, other users of the Platform may create and use their own Output that is similar or the same as your Output, such as because the same or similar User Input was provided, and you agree that such other users can use their own individually created Output for their own internal business purposes.

9.1.3. 4HACKERS TAKES NO RESPONSIBILITY AND ASSUMES NO LIABILITY FOR ANY CONTENT THAT YOU, ANOTHER USER, OR A THIRD PARTY CREATES, UPLOADS, POSTS, SENDS, RECEIVES, OR STORES ON OR THROUGH OUR SERVICES, INCLUDING ANY OUTPUT.

9.1.4. YOU UNDERSTAND AND AGREE THAT YOU MAY BE EXPOSED TO CONTENT THAT MIGHT BE OFFENSIVE, ILLEGAL, MISLEADING, OR OTHERWISE INAPPROPRIATE, NONE OF WHICH 4HACKERS WILL BE RESPONSIBLE FOR.

9.2. Limitations of Liability

TO THE EXTENT NOT PROHIBITED BY LAW, YOU AGREE THAT IN NO EVENT WILL 4HACKERS BE LIABLE (A) FOR DAMAGES OF ANY KIND, INCLUDING INDIRECT SPECIAL, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING, BUT NOT LIMITED TO, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, LOSS OF USE, DATA OR PROFITS, BUSINESS INTERRUPTION OR ANY OTHER DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE SERVICES), HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, WHETHER UNDER THESE TERMS OR OTHERWISE ARISING IN ANY WAY IN CONNECTION WITH THE USE OF THE PLATFORM OR THESE TERMS AND WHETHER IN CONTRACT, STRICT LIABILITY OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) EVEN IF 4HACKERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE, OR (B) FOR ANY OTHER CLAIM, DEMAND OR DAMAGES WHATSOEVER RESULTING FROM OR ARISING OUT OF OR IN CONNECTION WITH THESE TERMS, OUTPUT, OR THE DELIVERY, USE OR PERFORMANCE OF THE SERVICES OR OUTPUT. If you are obligated to indemnify 4Hackers hereunder, then you agree that 4Hackers will have the right, in its sole discretion, to control any action or proceeding and to determine whether Company wishes to settle, and if so, on what terms, and you agree to fully cooperate with Company in the defense or settlement of such claim.
